

Breakfast on the beach!

Jesus Helps Catch Fish Coloring Page

Connect the dots!

MAKE YOUR OWN FISH:

Colour the picture. Now cut out the picture along the lines. (You can make a few of these if you want to.) Punch a hole in its mouth. Tie a piece of string to a wooden dowel or a stick. At the end of the string, tie a paper-clip that is bend to make a hook. No try to catch your fish!
