Four point prayer-plan for non-believers:

- * Pray for labourers - Ask God for a heart sensitive and aware to non-believers, to increase your concern for the lost and to use you to introduce non-believers to Jesus Christ. (Matt 9:37-39 and Luke 10:2)
- * Pray for God's peace and blessing - Pray for at least three non-believers within your circle of influence - family, friends, neighbours or co-workers, persistently asking the Father to bless them and bring peace to their lives. (Luke 10:5)
- * Pray for opportunities to develop authentic relationships - Invest your life in theirs building genuine friendship and sharing your life. (Luke 10:7)
- * Pray for their requests - Invite your non-believing friends to share their prayer requests with you. Ask them how you can pray for them and then pray persistently both personally and corporately with your small group for God to work in their lives. (Luke 10:9)
